Blockchain Africa Conference 2023 | Ready for Business | Hybrid Edition

Family friendly

About

Bitcoin Events' flagship event, the Blockchain Africa Conference, returns on 16-17 March 2023 as the 9th edition as a hybrid edition: in Johannesburg, South Africa and virtually.

Built on 9 years of history, since the very first Bitcoin Africa Conference in 2015, (later renamed to the Blockchain Africa Conference), these conferences have attracted more than 9000 attendees from 160 countries and showcased the very best in blockchain and cryptocurrency innovation and disruption.

Expect world class international and local speakers, 1000+ global attendees, incredible insights, debates and panel discussions, with a focus on how blockchain technology and cryptocurrencies are transforming how business is done globally and on the African continent.

The event will include fireside chats, panels, 45+ global speakers, virtual and physical exhibitions and several networking events (an Opening Night VIP Dinner, Networking Breaks, a Cocktail and Networking Event and a Closing Night Networking Event), over the 2 days.
